

Awning Companion Tool Bag Specifications

- 1) Weight empty = 188 grammes
- 2) Width = 275 mm
- 3) Height = 325 mm
- 4) Depth = 90 mm

Awning Companion tool bag. Designed for protecting your Awning Companion & Awning Handy. Also useful as a stand alone item, for storing ground pegs or small tools.

Tip

Please remember ! Don't store damp steel tools in bags as unpainted or ungalvanized tools may go rusty. Dry your kit before long term storage
